Why mix politics with health? The Politics of Soda The negative political reaction of the American Beverage Association to the possibility of a federal I have used Tamsulosin successfully for many years, but during the past two years my sleep has been interrupted about every hour or more often to urinate. Log in to Reply. I told him he should not take it. Get rapid and continue relief? You must be logged in to post a comment. To register, you will need to create a user name and provide a valid email address. Mike Edwards on December 11, at 6: He lives in Connecticut with his wife and children. A patient came to me recently with a prescription for Rapaflo, given to him by his urologist. In a brilliant maneuver Activis labs, the maker of Rapaflo, never conducted any large randomized trials, comparing their expensive drug with less costly generics like tamsulosin, the generic version of Flomax; they just performed studies against placebo and Rapaflo clearly worked far better than nothing.
