Victims of pharmaceutical pricing fraud need not bother the feds unless they have a signed confession from the villain -- which, of course, they'll never get. Walgreens filled an overwhelmingly large percentage 97 percent of Ranitidine prescriptions with capsules, while every other pharmacy filled prescriptions for Ranitidine with capsules at a meager rate 3 percent. A flood of lawsuits demand websites accommodate the disabled. Super Bowl commercials: Yet another federal appeals court has ruled that if companies don't have a signed confession they can't sue pharmacies such as Walgreens WAG for fraudulently inflating the price of prescription drugs by up to four times their normal cost. The part of the ruling that is least controversial is where the court rules that Pirelli couldn't demonstrate that it was damaged by the scheme -- a search of its own database found too few cases in which patients appear to have been improperly switched. Find out what activities and attractions make these 20 cities and town some of the best places to retire around the world. The Walgreens case, decided last week, is worrying because it concerns two of the most widely used generic drugs -- which ought to be among the cheapest available for patients -- Zantac ranitidine for heartburn and Prozac fluoxetine for depression. Please choose to continue your session or sign out now. It obtained an investigation by another PBM which showed that in St. Each time it filled a prescription, the theory goes, Walgreens represented to the [pharmacy benefit manager] that it had received a prescription for the costly form of the drug; the PBM passed on the misrepresentation to Pirelli, who then reimbursed Walgreens at the more expensive [average wholesale] price -- two to four times higher than the [maximum allowable cost] price. Find a Store for Walgreens - Collapsed. Moneywatch Spotlight 3 states open investigations into Cambridge Analytica, Facebook. Generics are a great way to save money in lots of cases, but here is a look at some clear exceptions. Since mid, Walgreens adopted a policy of filling prescriptions for Ranitidine tablets with the more costly capsule form.
