Manufacturers can earn a 4-to-1 to 6-to-1 return on investment on co-pay coupon programs, according to the Pharmaceutical Care Management Association. It is very unlikely that these channels factor into the Wellbutrin XL issue. One way Valeant has been increasing sales involves the specialty pharmacy, Direct Success Inc. The answer is simple, those of us who suffer from depression and used Wellbutrin before generics were available found that when we switched to generics our symptoms returned. Health plans and other critics say some specialty pharmacies have evolved into little more than marketing extensions for Valeant and other drug companies to push ordinary brand-name drugs where cheaper generics may be appropriate. They have been around for years to handle expensive, specialized drugs for patients with complex diseases such as cancer or multiple sclerosis.
