But his many detractors in the industry dismiss his service as a slickly marketed version of long-established treatments, topped off with laser "mumbo-jumbo" and sold at the "rip-off" price of R9 including VAT. Some would call it an expensive gamble, at more than R9 , and have misgivings about the government's stance on the company's modus operandi. Volek is now selling Botox treatments at his AHS clinics countrywide. They had regular laser sessions and each day they rubbed Minoxidil ointment into their scalps and swallowed a herbal capsule, Serenoa, which, says Advanced Hair Studio AHS owner Chris Volek, has the same stimulating effect on hair growth as the drug Finasteride.
