General care for your concrete: Ellinger and Scholz have devoted considerable time to this phase of the subject and have found that when there are very small amounts or no pep- sin at all in the stomach contents, and a large amount is found in the urine, that this speaks for carcinoma. They eliminate the odor causing the bacteria and therefore eliminate body odor. Your body will still be allowed to naturally expel toxins through sweat; as a result there simply won't be any of the accompanying odors.
