Neither would say if Merck had offered them price breaks on Zocor. Merck declined to discuss specific price arrangements. Pfizer, Merck and other drugmakers usually scale back production of drugs that have lost their patents, said Kemp Dolliver, an analyst with Cowen and Co. UnitedHealth will charge patients less for the brand-name drug because Merck is offering to sell Zocor for less than the price offered by Teva, said Mark Lindsay, a spokesman for the Minneapolis-based insurer. Merck is attempting to fend off generic competition by initiating a price war. In response to Zocor competition, Pfizer plans to start a voucher program intended to minimize the costs of Lipitor to patients, Pfizer spokeswoman Vanessa Aristide said. Discounts for health plans are generally offered as rebates, said Ian Spatz, Merck's vice president for public policy. The McCords' giving enables leading edge research to be conducted in the fields Some insurers, such as Aetna Inc. Merck's discounting is a signal that big drugmakers are willing to use new tactics to prevent erosion of sales to generics. Insurers, distributors and pharmacy benefit managers all encourage price competition between generic drugmakers to cut costs, he said. While science has yet to discover the cause of the disease, researchers continue to search for an answer and that is where the children of the world need your help. Opening their pocketbooks as well their hearts, Darlene McCord and her husband Jim generously support the work of talented scientists at prestigious institutions such as The University of Iowa and Michigan State University. Generic versions typically sell for 80 percent less than brand-name drugs. Merck Prices Zocor Below Generic. The McCords are committed to finding the cause of, and cure for, the Buruli Ulcer. The company's shares have fallen 27 percent this year. The Iowa City residents also continue to fund intensive studies that seek to find a cure for the Buruli Ulcer, a flesh-destroying bacterium that each year, globally, threatens thousands of children. Aetna, the third-largest U. The McCords' giving enables leading edge research to be conducted in the fields of free radical biology and epigenetics.
