As mentioned, scale is key in generics. Impax's recent success and, in fact, its appearance in MFI is solely due to the company winning this period for generic Flomax in Q1. While generic Flomax will continue to produce very good results for the first month of Q2, exclusivity ended at the end of April. Stop use and ask a doctor if an allergic reaction to this product occurs. Keep Out of Reach of Children Keep out of reach of children. Ask Doctor Ask a doctor before use if you have liver or kidney disease. Pregnancy or Breast Feeding If pregnant or breast-feeding , ask a health professional before use. Investing Ideas , Long Ideas. Second, management has a pretty strong record of getting ANDAs passed and winning exclusivity. Drug information contained herein may be time sensitive. Yeah its a generic which a lot of people don't understand is actually exactly the same as "name brand". Pharm companies like to patent things like what the coat of their pill is made up and call it name brand. Loratadine = claritan these work great, just have to take it daily on a regular basis f see moreof shopaholic. Shop Target for products you will love from claritin.
