Brand I trust Yes 0. We were hesitant to give him medicine, just thinking it was a constant cold from preschool and didn't consider allergies at 2 years old, but I decided to try the Bubblegum flavor Zyrtec just to see if it could be allergies and it was incredible to see the immediate relief our son received. My three year old was miserable for 3 days while taking Allegra and the pharmacist recommended Zyrtec. Works Great Review Questions: Nothing seemed to work until we tried this! Ask a doctor before use if you have liver or kidney disease. The children's dissolvable tablets the 24 pack the tablets burnt my tongue for 2 hours and the one spot that I had the tablet disintegrating I had a red mark that it had burnt my tongue. You can also find out whether any of your other medications will interact with Allegra , Claritin , or Zyrtec. Adults 65 years and over: Their "best buy" recommendations were for the 10mg tablets of cetirizine, loratadin also available in dissolving and liquid forms , and Alavert a "branded generic" of loratadin.
