By now sewing was playing such a big part of all the Weeb Site that I figured it would be a good idea to setup a sewing weeb site. However there is some stuff for the ladies, but still there are a lot of images. Now about all these Weeb Sites about historic clothing When I first got my own Weeb connection in , one of the first things I did was search for anything about the Landsknecht and the clothing from that time. Available for Android and iOS devices. Thank you to the good people who gave me copies of the pictures they took of me in my garb: I figured that I could change my garb and returned to the event in a Bliaud like garment. It should not be construed to indicate that the use of any medication in any country is safe, appropriate or effective for you. I don't have any specific persona I am a cloths-horse. The history of both and how the bubonic plague changed the one into the other. It was so much fun I did this whole web site just to draw all the graphic design stuff for it, cool eh. I spent the rest of the afternoon in an outfit like a Houppelande.
