SIDE EFFECTS: Temporary stinging, burning, itching, or tingling of the skin may occur, usually at the beginning of treatment.?How To Use ?Side Effects ?Precautions ?Drug Interactions. Jul 19, - I realize it's still early days, but the Azelex has also made my skin so smooth and soft! It burned a little only the first time, and I've been applying it at night all over my face and then again on my chin in the mornings. I have GREAT insurance, and it still cost me \$/tube, but I think it might be worth it. Compare Azelex cream prices and other prescription drug prices from verified online pharmacies.
