Disposal If your doctor tells you to stop using Elocon or it has passed its expiry date, ask your pharmacist what to do with any that is left over. Prescriptions must be written on an Authority Prescription Form, and the approval number must be noted on the prescription. Tell your doctor if, for any reason, you have not used Elocon exactly as prescribed. But still pharmacists cannot dispense the item as a pharmaceutical benefit unless it has the necessary Authority code. This includes any that you buy without a prescription from a pharmacy, supermarket or health food shop. Item has been added to your cart. Ask your doctor if you have any questions about why Elocon has been prescribed for you. If you forget to use it If you forget to use Elocon, use it as soon as you remember and then go back to your normal time for applying Elocon. I agree with the terms and conditions of ordering this product. There is an alternative brand to choose from in the table below. Please check your prescription as alternative brands are not available in this case. Mometasone decreases swelling (inflammation), itching, and redness.
