The German grocery chain doesn't accept coupons, but many of their house brand "knockoffs" still run for pretty cheap. Though it sells all kinds of items, groceries are what keep customers coming back, and hits hard on the theme of splashy low prices in recent TV commercials. Food Contributor Aldi Evergreen story. It's also pushing more basic clothing such as socks and underwear after putting too much focus on trendy items that didn't sell. Few older Americans believe ordering more tests and drugs is the way to better health care, a new survey finds. I did some deep digging and found these 17 things that you should definitely never buy at ALDI and where you should buy them instead. Wal-Mart is still making big profits. From the packaging to the soap colors, Reeva is a spitting image knockoff! Wal-Mart officials held news conferences across the nation today to announce it's expanding its four-dollar generic prescription to Texas and 13 other states. In fact, Wal-Mart is bearing the cost of some of the deep price cuts, not its suppliers, according to Bill Pecoriello, an analyst who heads ConsumerEdge Research LLC, based on discussions with industry officials. Copyright The Associated Press. The sharp cuts at U. Wal-Mart is also restoring items like certain soups and laundry detergent it stopped carrying when it tried to declutter its stores. Wal-Mart launched the program in what it called an effort to save working Americans money on health care. But it also takes part of the blame for four straight quarters of declines in revenue at Walmart stores open at least a year.
