I think it was Watson Pharmacy? As such, any MSJ tablets available on the street can contain anything but 10mg of diazepam per dose - even if the tablets do contain diazepam, it may be in any dose other than that which is stated. Tolerance can build fast. For neurologic disorders, it is used to treat seizures and relief of muscle spasms. Fucking hell robot - did etiz work for the depression and sleeplessness? Still getting the boxed Actavis down here, thank goodness. My guys will straight up happily tell me that the valley's they have are "Paki fakes". We are eager to answer any and all questions you might have about Language Hunting and the services that we provide. Originally Posted by Tranced. I bought two or three bags of 50 and then I went through a bag in a few days. I sincerely hope I AM overreacting. The report studied loads of fake pills and found that the vast majority did actually contain Diazepam just usually in smaller amounts than they should be and they found a lot of cases where the fakes contained MORE diazepam than they should.
