What can I do to prevent this in the future? If you are on a personal connection, like at home, you can run an anti-virus scan on your device to make sure it is not infected with malware. If you are at an office or shared network, you can ask the network administrator to run a scan across the network looking for misconfigured or infected devices. One more step Please complete the security check to access forums.Sep 6, - The quality of generics (purity, strength, effectiveness) IS NOT the same as name brand pharmaceuticals and it varies all over the place between generic 'brands'. Expand. .

Bupropion - Which one do more people have better success with: Wellbutrin SR or Wellbutrin XL? Posted 15 Feb 8 answers Wellbutrin - Which generic brand hs been noted as the. Mar 26, - A review of studies comparing bioequivalence and therapeutic effectiveness of generic vs. brand psychoactive drugs concluded that bioequivalence and

Other times, like with Wellbutrin noted above and some mood stabilizers like Depakote and Lamictal, there seems to be a qualitative difference as well. I did research at that time and it was recommended that I take the brand name because generic, with its AB rating, still was not comparable. I also know that the XL version was taken off the market last october because of the problems it was causing. I have never been on this and I knew even before from the web.

Hello! I'm brand new to the forum, but have been reading posts for a while. I noticed that a common topic is name-brand vs generics. Since I just had the opp Wellbutrin Sr Generic Vs Brand Name? Jun 1, - April 19, when I picked up my RX, my druggist informed me that this RX was the generic for Wellbutrin SR and that it just came on the market. After 5 weeks My insurance company requires that if a generic is available, I must buy it and not the brand name. On May 26, I .. Xanax: Brand Name vs. Generic. Oct 18, - The problem here is bupropion (brand name Wellbutrin), the well-known antidepressant. A generic version of it came on the market in , and it went through the usual FDA review. For generic drugs, the big question is bioequivalence: do they deliver the same ingredient in the same way as the originally. Hi - I just got a perscription for the Sun Pharma generic version of Wellbutrin SR (Bupropion HCL SR). Has anyone had success with this It looks like a high quality generic. I will keep ya'll posted about it's effectiveness but I think that the pharmacy went out if it's way to find something "real" for me to try. Apr 25, - For example, there are various brand-name and generic formulations of the antidepressant bupropion hydrochloride. There's Wellbutrin, Wellbutrin SR, and Wellbutrin XR, but there's also a pharmaceutical alternative product called Aplenzin, which is bupropion hydrobromide. A pharmacist could. Sep 6, - wellbutrin generic vs brand name. By confused, September 6, He said he would prefer I take the brand name because he feels there is better quality control. But, I feel different on the . ringing in my ears. It would be interesting to see if there was a difference between brand SR and generic SR as well. I have to continue my Wellbutrin course for a longer period before I can honestly assess the differences but after the amount of misinformation I've uncovered when searching for "Wellbutrin XL vs generics", I think I'll pay the extra \$ for the brand name and take with me a little peace of mind.
