I felt like a million bucks, all things considered. I was running low on my Vicodin, so I got a new doctor to hook me up with it. But, after taking the Vicodin, I was always in a good mood. Almost from the first time I took the drug, I got a nice little buzz off of it. If you had it all to do over again, what would you do differently? For an explanation of this practice, see Health. Did you need to provide any medical history? I could tell that something was different in her tone of voice. His insights into the trap of prescription drug abuse are powerful. One big reason is that people now have more access to drugs than ever before via online pharmacies. I started to develop a tolerance to the drug, which meant I needed more of it to get high. He fought that war for years. Did she stop giving you prescriptions eventually? Believe me, that question has run through my mind many times so many times. I was injured on the job, and the doctor prescribed Vicodin to help ease the pain. I went down to the pharmacy and picked up my hydrocodone the generic version of the drug. So I was browsing around on the Internet one night, and I decided to Google buy Vicodin online..

Mar 31, - You're heading into surgery soon and your doctor has told you that you're going to need prescription painkillers. You can't help but think about all of the frightening reports over the last few years saying how easily people can become addicted to prescription opioids. If you have a child or teen that needs the. Nov 30, - Because generic versions are available for both Vicodin and Percocet, most insurance companies require that you be prescribed the generic version. The active ingredients in the generic versions of these drugs are the same as in the brand-name versions. Which means their effects should be the same.?Use ?Dosage ?Effectiveness ?Cost. Sep 5, - Vicodin and other prescription Painkillers will soon be harder to get. Consumer He or she can fax a prescription to the pharmacy, but unless it is for a patient in a long-term care facility or hospice program, you will still need to present the paper prescription to pick up the medication. In addition, refills are.
