Dezember um Oct 16. - Forum, The ISHRS journal has an article concluding that generic 1mg fin causes the patient to continue to thin (and those switching from Propecia to generic saw loss increase). They believe Propecia has a higher effectiveness due to ingredients--new generics DO NOT have same compounds. Do you believe this is true?Generic Finasteride effectiveness compared to Propecia? Are they. Apr 12. - Something he said today was a revelation. I began brand name Propecia back in August of ..5mg a day, and in early February, switched over to generic 1mg Propecia when it came out. Well, my doctor said he had heard via an e-mail group with other doctors that the new generic form is not rubeninorchids.comia Brand to Generic - Any Problems. Propecia and generic finasteride 1mg but there are reports on some forums stating that people noticed a difference when switching to generic. Given the big price difference I'm keen to try the generic but not if it could be less effective. Are there any accurate/genuine reports or studies about the generic being less effective?. The thing is for the last months Proscar and Propecia have been nowhere to be found, and I think they're not gonna sell it anymore here. I've always been reluctant of getting generic fin because I've read stories here that it doesn't work. There's also no website that I know of that ships Proscar to rubeninorchids.com over from Generic Finasteride to Propecia.
