

can you really order percocet online

I was injured on the job, and the doctor prescribed Vicodin to help ease the pain. All calls are private and confidential. Accessed 26 July Many sources of pharmaceutical products are suspicious, if not outright illicit. Have there been any problems along the way? Like a Venus flytrap, painkillers can be enticing but oh so deadly. Yes, they wanted to see something that proved I had a back problem, so I used copies of my medical file from a few years earlier. Prescription drug abuse is the fastest growing medical problem in the U.S. I was moving around just fine without the Vicodin. One big reason is that people now have more access to drugs than ever before via online pharmacies. The problem was, I felt like I was really missing the effects of the drug on my mood. So I had to spend more money and lie to my wife about more credit card bills. Often, with little more than a valid credit card number, individuals can obtain an unlimited amount of potent and highly addictive opioid painkillers. She trusted me, of course. It could have ended in tragedy. I basically lied to her - this person who had been our trusted family physician for years - in order to get her to refill my Vicodin prescription. I was a little hesitant to take these pills at first. His insights into the trap of prescription drug abuse are powerful. Believe me, that question has run through my mind many times - so many times.

Sep 11, - No, there isn't a legal way to buy percocet legally. Online sales are very illegal, you may not get percocet (I can almost guarantee you that you won't) and the shipment can be seized by the US customs. And you can be prosecuted for it also if they do seize it. You will have to find another doctor or get to the Cant I buy hydrocodone online? is safe? I have a spine.

Oct 16, - What pain medications can you buy online?
