Dec 02, vigilantmom Ryan was born May 20th And what is Caracream? To view content sources and attributions, please refer to our editorial policy. This Prevacid SoluTab price guide is based on using the Drugs. My son had severe severe reflux It will dissolve and you are able to give it with a syringe. Anything expressed in blogs and forum postings are the sole content of the author and not reflux. Looking to stop the puke and gain some lbs. I have suddenly noticed reflux symptoms again after about 10 days of solid improvement. Still on prevacid and periactin. Dec 02, njrover Nicole I had my daughter on the suspension and she threw up everywhere! The vast majority of the kids don't need that high of a dose though. For example 5 ml of Ryans liquid prevacid is equivilant to 15mg of capsule or solutab. Also, what is DGE? Thanks again for your help. Subscribe to receive email notifications whenever new articles are published. Just dont give it 2 hours in front of or behind the Prevacid. We comply with the HONcode standard for trustworthy health information - verify here. Be strong, listen to your instincts. Compare prices and print coupons for Lansoprazole (Prevacid) and other Heartburn, Gastric Ulcer, GERD, and Duodenal Ulcer drugs at CVS, Walgreens, and other pharmacies. Prices start at \$ We paid \$ a month for the prevacid solutabs. When she got older and started eating food, I asked if there was another option. There is a generic but it is a capsule where you break the pill open and put the beads in applesauce. It dropped the price to \$40, so at the pharmacy I asked the pharmacist what Lansoprazole (prevacid) for infants -- Your experience? Just curious because I have heard people mention they are more expensive then zantac. I know it will be different based on everyones insurance, but just curious (we may have to switch my son that is why I am wondering). Baby Birthday Ticker Ticker Report0 Reply to Post. @LovingMommyhood Omg that's crazy expensive. My LO is on it and I have insurance that will cover it. I live in Canada though, and it only costs 17\$ for 2 weeks, my pay out is \$. I also tried Zantac and it didn't work, and then another PPI that didn't work, this Prevacid does BUT she has brown insurance won't cover Prevacid? - March Babies.
