Subscribe to receive email notifications whenever new articles are published. Drugs Conditions Travel Articles. Patient assistance programs PAPs are usually sponsored by pharmaceutical companies and provide free or discounted medicines to low income or uninsured and under-insured people who meet specific guidelines. Talk to your doctor, nurse or pharmacist before following any medical regimen to see if it is safe and effective for you. Call for most recent medications as the list is subject to change and the medication for which you are seeking assistance must treat the disease directly. Leflunomide is a member of the antirheumatics drug class and is commonly used for Psoriatic Arthritis and Rheumatoid Arthritis. The above information is an educational aid only. Prices are for cash paying customers only and are not valid with insurance plans.
