The book is a very satisfactory one of its kind and is deserving of much praise. This is an excellent Compend. Philadelphia and New York: Its favorable reception on the part of the profession generally must be very gratifying to the authors, who, while they have adhered to the conventional plan of presenting the subject, have imparted an agreeable style and joined their facts in such relations as to take away the necessarily dry, uninteresting incubus of a mere exposition. There are various modified forms of the book, dated and undated, online pharmacy monthly and order cytotec online weekly, the latter for either thirty or sixty patients. The final chapter, on technics, is especially valuable, and the directions for the various procedures in microscopical cytotec buy online work are given in a manner that cannot fail to impress the student. In this respect the objects of the title page have not been happily fulfilled. The visiting list proper is preceded by 32 pages of letter press containing memoranda on dentition, the usual scales and tables, examination of urine, poisons and antidotes, dose list, therapeutic index of diseases, a very useful illustrated emergency resume on the ligation of the principal arteries, etc. A useful feature in the chapter on osteology has been the addition of a series of drawings showing the areas of muscular attachments to the bones. This edition has been revised in such a way that new matter buy cytotec has been added wherever the progress of anatomical science demanded it. Till books intended for the use of students as well as for the busy practitioner it is most desirable that December 20, We certainly have an abundance of textbooks on the blood, and this one, while presenting nothing new or original, compares favorably with the others. The best chapters are on blood diseases and the changes in the blood in other diseases. While misgivings may have originally arisen as to its success because of the cooperative plan of the work, such have been destroyed where to buy cytotec by the cytotec on line adoption of this textbook in many teaching institutions.
