I believe they are made by Dava. I've actually heard of people preferring the green one and school buses to the white ones lol That's most of the time Available for Android and iOS devices. From second hand accounts I ate at least 6 or 7 bars. I did get out of hand though. Originally Posted by tricomb. There's no advantage to chewing up alprazolam it's already instant release. All of the different brands and generic bars contain 2mg alprazolam. I recently came into a shit ton of green 2mg alprazolam bars. They did not help at all. Alprazolam Intensol , Niravam. Only scored 3 times. What makes these so different shittier than from other generic 2mg xanax bars out there? Running away from your problems never accomplishes anything. Just curious cuz that would explain a lot. For me to get that memory wipe I could only guess how many of these green ones I'll have to take. Aug 5, - I've been on xanax for 10 years and I thought it was just me but the white and green bars hit me the same but the yellow ones take longer to hit me and they don't last that long. Is it just me or has anyone felt .. I'm so pissed off should have went to get the Sandoz brand that I'm used to!! This is ridiculous! What is the difference between yellow Aprazolam. X ANA X 2 (Xanax 2 mg) Pill with imprint X ANA X 2 is White, Rectangle and has been identified as Xanax 2 mg. Xanax 2 mg is classified as a Schedule 4 controlled substance under the Controlled Substance Act (CSA). Results 1 - 20 of 24 - Do the white gg Xanax bars have a shiny coat to them ## I don;t know about the shiny part, but the GG on one side and blank nothing on the other side is familiar. I don't now what they are, though they list their Brand Name as ALPRO, short I guess of Alprazolam. Updated 4 months ago in. i got 2 mg Xanax bars that say xanax on one side 2 on the on the other, white rectangle 3 score pills are they real? they taste sweet and then bitter. ## Here is a depiction of the genuine Xanax bars: Based on what you described it does sound like you have genuine 2 mg tablets.
