Yet they cost basically the same as Brand name, they mimic the brand name with the Vicodin imprint on the tablets -- but they are NOT real brand name Vicodin?? Prescription drug abuse is the scourge of the nation and pills, like these Oxycontin tablets seized in Los Angeles, are scoring big bucks on the street. In Los Angeles, 80mg Oxycontin is the most popular drug on the street with addicts. They'd lose money if they made high quality brand like generics and sold them for a few bucks vs a few hundred. The acetaminophen component in this product is associated with liver toxicity when doses exceed more than 4 grams a day - even less in patients who also drink a lot of alcohol. Yes, it is simply marketing. Some were taking several tablets a day and even mixing in over-the-counter acetaminophen products, far exceeding the 4 gram limit. Powered By Inquirer logo Subscribe.
