The rules are laid out for you in the first post, so shouldn't be hard to follow. Los Angeles, California Opiates: Central NC Alamance county coke: This thread is for listing prices of drugs that are available to you. Weed All we have is Fire over here. Tar heroin rare - a gram oxy , divide for smaller dose oc40 20, etc. Just post prices, nothing more. Usually very good shit. Percocet, Roxicet, and Oxycontin. Opiates heroin bags- varying quality from complete garbage to total fire- heroin bundles- from the lower west side from street dealers, usually crap. Not available Ambassadors will be picked up at the airport by their hosts, or at the bus depot if taking the bus from Edmonton to Hay River. Must be some dirt. It says clear as day in the first post to list prices and do NOT comment on anything else. I'm not really in the drug game too much anymore. Pharms - Benzodiazepines Xanax: Atlanta, GA I really hope you guys are lying about these heroin prices. I'm letting the "free for me" comments slide, but availability is not important. Various quality, same price. There was no reason to post it or edit your post to include it, so I have unapproved the post. Most are long term Northerners who like to share the aspects of the North that they appreciate:Wide Selection Of Brand And Generic Rx Drugs at EOEU Genuine Drugs! Savings On Brand & Generic Drugs.
