The author's first dictum generic neurontin gabapentin is neurontin mg pain that enteric fever. Very well ; a mistake has been made, but no harm has been done. But if one wishes to treat typhoid fever with the neurontin prices generic best results he, must make a correct diagnosis the first time the patient is seen., It is admitted in one place that " one may not be neurontin price correct every time, but it is far better to occasionally keep a man in bed for a day or two than to allow one who has typhoid fever to walk about for three or four days. The germ seems to be able to exist very well in water, and thus existing with neurontin price increase full vitality to be floated by currents to contiguous shores, where neurontin price comparison it is ready to thrive under favorable conditions and would be a menace not only at the present time but in the coming summer. This will seldom throw much light upon the nature of the disease. I make this suggestion because I feel it my duty, as you can draw attention to a laxity or seeming one in this connection. The most important of these mistaken notions is that the early diagnosis of the disease is difficult; a second is that the course of the temperature furnishes in the majority of cases any considerable aid in diagnosis. Considering the nearness of the cholera to our shores everything connected with the admirable quarantine regulations being enforced has generic neurontin available great interest attached thereto, and every-thing is being done that seems possible to be done to check its advance, but from the daily papers it seems that there is one thing further which might be neurontin mg done j. Progress in the treatment of enteric fever has been hindered by certain prevalent but erroneous teachings of the schools and text-books. It is neurontin mg not necessary to wait three or four days so as to observe the course of the temperature. Gustavus Eliot, of Nevi' Haven, Conn.
