Ranbaxy Pharma Generic Name: Diane Furber, Oregon , USA "Just had to let you know the package arrived today and package so securely and product looks great!! Last Updated on 30th day of May, Tell any doctor who treats you that you are using Zantac. Heartburn is often confused with the first symptoms of a heart attack. That's why your orders are sent in discreet looking packages without any information of the contents on the outside of the package. Allow the Zantac effervescent tablet to dissolve completely in the water, and then drink the entire mixture. Do not crush, chew, or break the Zantac effervescent tablet, and do not allow it to dissolve on your tongue. I simply can not rec If you do not have a dose-measuring device, ask your pharmacist for one. This time around i had a very specific question about the Side effects of one of my medication, Trina on their live chat helped me Symptoms of pneumonia include chest pain, fever, feeling short of breath, and coughing up green or yellow mucus.
