Same applies if the owner of the litter is different then the owner of the Dam. When you register your litter, please make sure you include every puppy in the entire litter when completing the litter application. We would like to hear from you. Once we receive the paperwork and complete the application process, you will receive the new certificates for the litter as well as the Sire and Dam. If any puppy in that specific litter is not registered through the litter application, they can not be registered. Download Litter Application Form: All litters over one year old can not be registered through the litter application. Instead they must be registered with the single registration application. If you have any feedback on how we can make our new website better please do contact us.
