As the Brimz says it's all down to luck of the pharmacy draw. Yes absolutely - and Spain isnt the only country they're available OTC either which I thought you might take interest in considering your alias. Toseina lists codeine as an active ingredient, but also contains a lot of other ingredients to deal with coughs and such. Nobody will sell it to you because they do not stock it. According to Wiki codeine can only be got in Spain with a prescription and not OTC, is this the case? A simpler alternative to traipsing round the farmacias is to take advantage of the walk-in surgeries that have sprung up on every tourist strip. I've had Valium otc a few times in Seville , Barca et Malaga. Only got 20x30mg though so have to make them last, will prolly use them at night to get some sleep and hope they work. Look for Independent Pharmacies n brush up on your Spanish. Damn even superb hash is everywhere in Spain: Spanish docs are accustomed to shakedownms for the heavy stuff and will probably be relieved you're only after the vallies. Speaking the lingo and not having Union Jack tats or having to clutch the counter to stay upright helps as well. Only India n Sri Lanka are the only places i been that are more lax. If you ask in enough places someone will sell it to you. As for specific pharmacies to look out for - I couldn't say, but I'd imagine that if its the law that Diazepam can be sold over the counter in a country then the majority if not all of the pharmacies should stock them. If you ask a few, pretty quickly you will find one that does. May 11, - I'll be staying for about 6 weeks and friends have told me that it is usual to get these medications such as sleeping tablets and Valium or Xanax from the chemist . So the answer to your question is yes you can buy your tablets over the counter, they may be a different name but they still do the same thing. Actually, you can no longer buy any prescription medication over the counter, including antibiotics. I had to see a doctor in Playa to get a prescription for anitbiotics. Mexico laws on drugs now mirror that of the US. Reply. Report inappropriate content. sassypantsgirl. Stowe, Vermont. Level Contributor. 7, posts. 60 reviews. Dec 17, - All nine pharmacies sold the antibiotic amoxicillin. Environmental health consultant Dr Yunes Ramadan Teinaz said: "Antibiotics - when misused - can stop working for everyone else. "You or I may have developed resistance because of the foolish actions of these pharmacists. "There are very real dangers. Link > can you buy valium in tenerife Order valium online - click here.
