Thank you for your prompt response. If you have questions or concerns about items in your order, call Customer Care at. Phentermine - Losing and getting the weight back! Phentermine is used to treat severe forms of obesity when the excessive weight poses a threat and is a reason of the different chronic diseases. A friend of mine just told me that she has been buying her meds online from Mexico with out any problems. All products at our site are available to be shipped - that means we have them in stock and can ship them to you within 48 hours after payment clearance. There are also buses to Canada doing the same, however, many of our Rx's while cheaper there do require a prescription. It is strictly not recommended to consume alcohol while taking the capsules of Phentermine because this may lead to the increase of the therapeutic effect and inhibition of the nervous system. This will help to hasten the process of the fat burning and reach faster results. Thanks for the help. Our company strives to maintain and improve every phase of our business and satisfy needs of our customers. The obesity treatment should be controlled, and that is why it is not recommended to take Phentermine with analogical drugs for the weight loss. During the first week of drug use the patient may also experience the following side effects: I received my medicine in time and I think that this is a sign of responsibility and professionalism.
