The agency owner, Paul Carter, has 25 years of experience in insurance and over 14 years in real estate. See if there is nearby apple farm to visit. We can insure your home, automobile, boat, trucks, business, etc. According to Brazilian law, it is the responsibility of the municipality to regulate the opening hours of its pharmacies and drugstores. Brazilian drivers usually don't respect this law which helps explain why more than 30, people die in transit accidents per year in Brazil. A bill was approved by the Senate, but was vetoed by president Dilma Rousseff in early , which would legalize the sale of over-the-counter medicines in shops such as supermarkets, warehouses, emporiums, convenience stores, and even hotels. Parents can also get their children to search for the biggest and smallest pine cones. Alcohol Buying and selling alcohol is legal to anyone over the age Make sure you know how much you are paying for the drinks. Brazilian transit laws are very tight. Most drugstores in Brazil are open from 8: The condition for the purchase of medicines available in the units is the presentation of the CPF along with a medical or dental prescription. For each of those controlled drugs, a standard prescription containing the name, signature, and registration number by the Regional Medical Board is demanded, and sometimes retained. Enjoy collecting leaves, visit an apple farm, find a pumpkin patch and go for a walk on a rainy day. However, there is a Law of Protection of Children and Adolescents which declares certain conducts as crimes, such as, among several others, serving alcohol to a minor article 81 of the Law , bringing a minor of 18 to a hotel without the authorization of the parents article 82 or traveling with a minor without authorization article 83 ; besides, there is a broader command which considered a crime any attempt against the rights of the children or adolescents so defined as persons between ages 12 and There are also a large number of online services which compare the prices of different drugs in major pharmacy chains. However, it is the duty of Police to stop people driving under influence. Very rarely are IDs requested.
