I have to say though, trying to score drugs through internet companies is a bad idea, it's a paradise for scammers. People who have a history of drug abuse or any kind of addiction should not take Xanax this is because Xanax is so effective that consuming it can become a habit in no time. Within a week, reduce the dose to 1 mg daily. This is against site rules and will probably be closed All rights reserved Your browser does not support JavaScript! Anyway, there are all types of scams attached to these online pharmacies and no matter how careful you are shit happens. This drug is used in case of somatic disorders that accompany emotional distress such as: If you are the site owner or you manage this site , please whitelist your IP or if you think this block is an error please open a support ticket and make sure to include the block details displayed in the box below , so we can assist you in troubleshooting the issue. It's not safe and thousands of people go to jail every year for doing so. Consider it a pleasant surprise if you do actually get alprazolam but I wouldn't waste my money. Not Needed How to Buy? In short, attempting to buy drugs is a lottery, and even if you find a reliable vendor, the chances are its a foreign company, meaning anything you buy has to get past customs. Google is your friend. Its unlikely anyone s going to give you a source, its no benefit to them, can really only prove to be detrimental to their source's stability. Some of the most common side effects of Xanax Alprazolam included: The creators of this web site only provide information that you need to know for safe use of drugs, but it is strongly recommended to consult an expert doctor before you start taking any medication.
