

vicodin prescription canada

Almost from the first time I took the drug, I got a nice little buzz off of it. Accessed 26 July Once, one company just split town with my credit card number and made a bunch of purchases with it. It could have ended in tragedy. I went down to the pharmacy and picked up my hydrocodone the generic version of the drug. Often, with little more than a valid credit card number, individuals can obtain an unlimited amount of potent and highly addictive opioid painkillers. I found that I could go back to work, pick up my kids and do just about anything I used to do before I injured myself. I was injured on the job, and the doctor prescribed Vicodin to help ease the pain. If you had it all to do over again, what would you do differently? One big reason is that people now have more access to drugs than ever before via online pharmacies. When did the Internet become a part of the narrative? So, for the next few months, I had all the Vicodin I needed.
