Media tycoon Mike Bloomberg takes swing at Big Tobacco. Post a new comment 12 comments. Would you rather pay more and get a quality product or pay less and get something lesser in quality? In many cases, the same manufacturers produce the generic products and the brand name. For example, medication is regulated and so I feel confident that a generic version of an over-the-counter drug will deliver the same results as the branded one. Last year, Publix Super Markets, a privately held U. Scroll down and select "Show advanced settings. In the zero-sum game that is budgeting, a dollar you spend is one that you can't put in your savings account for a rainy day. So it's not surprising that you'd eye your purchases to see if you can spend less, without sacrificing much in terms of quality. Sigue las noticias en twitter Tweets por Tele7Noticias.
