Pharmacists cannot dispense the item as a pharmaceutical benefit unless it has been approved by Medicare Australia indicated by the presence of the approval number. It contains the active ingredient called mometasone furoate. Elocon Lotion is a colourless to light yellow lotion. You may need to read it again. Do not use plastic pants or tight fitting nappies if Elocon is to be used on the nappy area of young children. Keep the telephone numbers of these places handy. Tell your doctor if, for any reason, you have not used Elocon exactly as prescribed. If you use large amounts for a long time, the chance of absorption through the skin and the chance of side effects increases. Prescriptions must be written on an Authority Prescription Form, and the approval number must be noted on the prescription. Using it more often than you should may not improve your skin problem any faster and may cause or increase side effects. Do not leave it in the car or on window sills. Our commitment to customer service extends to after you order, not only can you be assured that you are paying the lowest guaranteed price for your Elocon Lotion order with our unmatched No-Risk Guarantee, but if for any reason you are unsatisfied with your Elocon Lotion, you can take advantage of our No-Hassle.
