Hydrocodone apap street price. What is street value of? In my humble opinion, street value of is always and only, Leon. k Views 5 Upvotes Answer requested by. Mickey. In my humble opinion, street value of is always and only, Leon. k Views View Upvoters Answer requested by Originally Answered: What is the street value of Vicodin ? Hydrocodone goes for \$mg \$5/\$mg \$mg and Oxycodone goes for \$1 per mg. I guess the short answer would of been most. It depends on where you are obviously, and what strength they are. Not knowing the specifics, I can only say that on the West Coast, this the general range in my experience. Norco 5 - Range I've seen \$25, average \$3 Norco \$58 Norco \$8 I'm going to proceed assuming OP is curious about the price of actual Norcos. Brand name Norcos come in three strengths, 5 mg, mg, and 10 mg, with the effective ingredient being hydrocodone, which is mixed with mg acetaminophen (Tylenol). This is significantly less filler than Vicodin, which in turn makes it safer.
