This is an All Ages 3PM afternoon show. It's also clear that they are superior musicians. The manufacturer and distributor of Propecia is a popular international pharmaceutical company called Merck. Is it possible they have more energy than the other groups tonight? This was the gig you should have been at. Everything about this group is clear; their intention, their instruments' tone, and the mix. The chords were straight ahead but the melodies did catchy turns around them. The songwriting was full of the fine details. Check it out here. Muck and the Mires come crashing out of the gate and never stop.
