However, it has come off patent and is available as a generic. Studies show that the condition resolves after a year in 23 to 35 percent of women who develop it. Our free DiscountRx savings card can help you and your family save money on your prescriptions. Are you sure you want to add all of these topics? Ditropan XL Drug Interactions. It can be annoying if your bladder seems to work overtime and you're headed to the bathroom more often than you'd like, but that doesn't necessarily mean you need medication or that you even have a medical problem. However, for the majority of women, the condition persists for years. All generic medications must undergo certain tests to compare them to brand-name medications. Consumer Reports selected them as "Best Buys" because they carry a lower risk of side effects. For further guidance, go to ConsumerReportsHealth. It's not a total surprise that advertising seems to work, when you consider that 20 percent of people currently taking a prescription drug report having asked their doctor for medication they learned about from an ad. Even so, heavy advertising has helped boost sales into the hundreds of millions of dollars for some of these drugs. If you choose this option, it cannot be undone, and you'll need to choose at least new topic to continue using your HealthSavvy programs. It is currently manufactured by three different companies.
